

Exercise 1:

Instructions:

1. Open a new document in Microsoft Word.
2. Enter the following text while adhering to English typographic conventions:

Project Report

Introduction:

The project we have undertaken aims to study the impact of New Information and Communication Technologies (ICT) on modern society.

Methodology:

We conducted a survey of 200 participants to gather data on their use of ICT and their perception of the associated advantages and disadvantages.

Results:

The results show that 85% of the participants regularly use ICT in their daily lives. The main advantages mentioned are instant communication and access to information. However, 40% of the participants report concerns related to data privacy.

Conclusion:

Our study highlights the growing importance of ICT in our society while emphasizing the challenges related to privacy protection.

3. Apply the following page layout:

- Normal margins (Top=2.5, Bottom=2.5, Left=2.5, Right=2.5).
- Portrait orientation.
- A4 page size.
- Two columns for the main text.
- Page border: Box.

4. Apply the following formatting:

- Report title: Make it bold, center it, and use "Times New Roman" font size 16.
- The rest of the text: "Times New Roman" font size 12, justified paragraphs, line spacing 1.5.

5. Add a header containing the report title on the left, the date in the center, and your name on the right.
6. Add a footer with the page number in the center.
7. Use the find and replace function to replace "ICT" with "Information and Communication Technologies" throughout the document.
8. Enable spell and grammar checking to correct errors.
9. How to write titles and their numbers
10. How to write references
11. Insert a relevant image at the end of the report.
12. Print the report, ensuring that the layout is correct.

Exercise2: Now, let's use Microsoft Word's equation editor to create this equation:

$$EQE_{Tot} = EQE_{\acute{e}m} + EQE_{Dép} + EQE_{Base} e^{-\alpha(d_{\acute{e}} + d_{zce})} (1.1)$$
